World Strongman Cup is an international federation organizing Strongman events on a national level, European Championships, the World Strongman Cup and world record attempts. Events feature various highlights with the athletes performing disciplines that challenge their strength, endurance, skills and - most of all - their unconditional will to succeed. Before the eyes of all the fans, the athletes move enormous weights and deliver sensational performances. There will also be a Fire Truck Pull and Flight-For-Life helicopter on site.

This will be an all-day event and will be covered and aired by
